An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 2, last line, "said said" has been changed to -said--.

The above amendment corrects an obvious typographical error, which is confirmed by applicant's remarks. Permission of the applicant was therefore seen as unnecessary.

Also note that replacement drawings sent 21 March 2006 are acceptable.
